In re the non Disbursement of the pay of the Establishment of the Sri Narayanaswami temple within at least the 10th of the months.

LAST REFERENCE.—

Petition ~~dated~~ No. 2726 dated 20th January 1905 from the Servants of the temple at Melkote.

The petitioners represent that with the view of the pay of the Establishment being disbursed to them at Melkote within at least the 10th of the succeeding month, provision was made in the revised Taadik Patti for a Shroff and a Nagadi Gumasta in the Temple and that everything was going on all right till recently. They state that ever since the issue of Govt. orders directing the disbursement of the pay to the Dy Amildar of French Rocks they have not received their pay within the 10th of any months in their memory.

They state that they entirely depend upon the pay they receive for service in the temple and upon the Sthalavasa rice allowance — and that both these, to their misfortune, are disbursed late after the 20th of the month — and that in consequence they are put to very great difficulties. It appears that when the Secretary was at Melkote in December last — they represented their grievances in person whereupon orders were verbally issued to the Dy Amildar to disburse their pay within the 20th but that in spite of this, they have not received their pay till the 28th Inst. They pray that early orders might be issued in the matter of their getting their pay & rice allowance — in time.

Proceedings of the Government of Mysore.

READ THE FOLLOWING—

I. Letter No. 109, dated 30th October 1895, from the Deputy Commissioner, Bangalore District, to the Revenue Secretary to the Government of Mysore.

I have the honor to state for the information of Government that up to the end of July last the Deputy Amildar was drawing the marginally noted items of monies from the Taluk Treasury at Channapatna and disbursing them to the parties.

1 Contingent allowances
2. Pay of the Deputy Amildar and his establishment, including shekdars and peons
3. Pay of Hobli School Masters
4 Allowances of chattrams, masjids and temples
5. Pay of travellers' bungalow establishment
6. Pension allowances
7 Amounts of cheques payable from Municipal, District Fund, Local Funds General and Maramat.
8 Potgi allowances of patels and shanbhogs
9. Pay of Police establishment

2. On 2nd August 1895, Mr. C. Raghavacharlu, the Sub-Division Officer, issued an order to the Amildar deprecating the practice of remitting to the Deputy Amildar all the monies payable to the establishments in the Closepet sub-taluk, as it would diminish the Treasury Officer's responsibility, and directing that the pay of the Police establishment should be disbursed through the Police Inspector, that the establishment of the travellers' bungalows and the Hobli School Masters should be paid through the shekdars, and that payments on account of the establishment of the sub-taluk and on account of Municipal and Local Fund works should be made in the Taluk Treasury only.

3. The practice alluded to in para 2 was in existence from a long time, and in October 1893 the present Taluk Sheristadar asked instructions as to its continuance. Enquiries were made as regards the procedure observed in the sub-taluks of the Tumkur and Kolar districts, with the result that the practice in this district was found to be the same as in the other sub-taluks alluded to. No definite order was passed on the subject The correspondence shows that the District Treasury Officer wrote to the Deputy Commissioner to hold the Deputy Amildar "personally responsible for all monies he receives from Channapatna" and that "he must keep an account of them and must preserve the daily balance in the Kasba station under lock and key in a box," and the late Mr. Mir Shujayet Ali Khan Saheb approved of it.

4. Mr. C. Raghavacharlu should not have disturbed the practice recognized by the Deputy Commissioner but should have represented the circumstances and sought modifying orders. But this question having arisen, I consider it important that the matter is worthy of consideration of Government, with a view of directing the proper course and of securing uniformity.

5. The Deputy Amildar is responsible for the permanent advances and imprests granted to him, and payments made to parties out of them have to be recouped as per rules laid down in that behalf. The Taluk Treasury Officer need not demand the presence in his Treasury of parties supplying office contingencies, &c. Cheques issued in favor of private parties should be cashed and paid in the Taluk Treasury, and the Deputy Amildar informed of the same for his statistical purposes. This disposes of items 1 and 7.

6. Items 3 and 9. There are special rules as regards the payments to Hobli School Masters and the Police. They should be adhered to. Attention is drawn to Government Proceedings No. 2843-52—G. F. 443-92, dated 11th August 1893, *in re* payment of Police establishment at out-stations.

7. Item 6. Payment of pension allowances should be made in the Taluk Treasury as per rules on the subject. It is believed that pensioners' rolls are preserved in the Taluk and not Sub-taluk office.

8. Items 8. The potgi of village servants has been ordered by Government to be paid in the Taluk Head-quarters. It is mostly done by adjustments. The Government order on the subject should be adhered to. The Deputy Amildar should keep the Taluk Treasury informed of the deductions to be made from the allowances on account of fines,

9. As regards salaries, Article 63 of the Account Code is plain The Head of an office who signs the bill is responsible for the distribution of every salary drawn on it. The Deputy Amildar is the Head of the Revenue, Excise, Forest, Maramat, Muzrai, Municipal and District Fund establishments in his sub-taluk, and is the Officer to make the Barawards which should be treated and cashed in the same way as are the pay bills of the Sub-Division Officer and his establishment, the Post Offices, Public Works Department, &c. But it will be necessary to make due and efficient arrangement for the escort of the money from the Taluk Treasury and for its custody till complete disbursement The amount including the Sub-Division Officer's salary may exceed Rs 1,000 The task of escorting the money from Channapatna to Closepet will have to be imposed on the Police and so also that of guarding it till disbursed. An iron safe may be kept in the Kasba Police Station, and the key may be with the Deputy Amildar, the safe being looked after by the Police in the station. It will be inconvenient if the gumastas of the office and shekdars of the Sub-Taluk Hoblis and peons should run away to Channapatna to the detriment of their work, especially so, if the Municipal scavengers go away on this plea.

10. The Taluk Treasury Officer will be responsible to see that the vouchers are in proper form and that the accounts drawn on bills are accounted for as per rules in that behalf.

11. As Closepet is the Head-quarters also of the Sub-Division Officer, he will, as frequently as he can, examine the cash and accounts of the Deputy Amildar and satisfy himself that they are correct.

II Docket No. 468, dated 23rd November 1895, from the Deputy Commissioner, Bangalore District, to the Revenue Secretary to the Government of Mysore.

The Revenue Secretary's No 4503—R. 1762, dated 8th instant, *anent* the disbursement of the pay of certain establishments of the Closepet sub-taluk by the Deputy Amildar.

Adverting to the above, has the honor to submit copy of Mr C. Raghavacharlu's Order No. 64, dated 2nd August 1895, and to state that orders are solicited on the following points :—

(1) Whether the monies to be drawn and distributed by the Deputy Amildar may be sent to him from the Taluk Treasury?

(2) The arrangements to be made for escorting the remittance and guarding the undisbursed amount remaining in charge of the Deputy Amildar.

(3) What establishments should be paid by the Deputy Amildar ?

III. The following communications from the Deputy Commissioners of other Districts, reporting the practice prevailing in the Sub-Taluks of their Districts, in regard to Deputy Amildars drawing and disbursing amounts due on account of pay of establishment, contingencies, &c., in such Taluks.

IV. Letter No. 3766, dated 20th January 1896, from the Comptroller, Mysore Government, to the Revenue Secretary to the Government of Mysore.

With reference to your docket No. 5363—R. 2086, dated 9—12th December 1895, forwarding, for opinion, copies of correspondence between his office and the Deputy Commissioner, Bangalore district, in regard to the practice of disbursing the pay of certain establishments of the Closepet Range by the Deputy Amildar, I have the honor to state that I agree generally with the Deputy Commissioner; only such fixed charges, such as contingencies, pay of Deputy Amildar's establishment, both Revenue and Municipal, need be drawn by the Deputy Amildar and disbursed, and for which he will be held personally responsible.

No. 3831-9—Fl. 360, dated Bangalore, 8th November 1900.

Order thereon—The reports read above show that in most of the sub-taluks, it has been the practice for Deputy Amildars to draw from the Taluk Treasuries only such fixed charges, as contingencies, and pay of sub-taluk establishment, both Revenue and Municipal, and disburse the amount to the persons concerned. In agreeing generally with the Deputy Commissioner, Bangalore district, the Comptroller states that only such fixed charges, as contingencies, pay of Deputy Amildar's establishment, both Revenue and Municipal, need be drawn by the Deputy Amildar and disbursed, he being held personally responsible for the same. The Government concur in the view taken by the Comptroller, who is requested to issue needful instructions to all Deputy Commissioners, with a view to ensure uniformity of practice in all sub-taluks.

Sir

With reference to Government Proceedings No. 3831-9 H 360 dated 8 November 1900, restricting the Cash responsibility of Deputy Amildars of Sub Taluks to the limit of the Amount required for payment to their own fixed Revenue and Municipal Establishments and Contingent charges, I have the honor to state that the allowances to Chatrams, Matts, Masjids, temples and Cash stipendiaries are of small sums. I am of opinion that, as the recipients of these allowances, in the majority of cases, live far away from the Taluk Head Quarters, their presence for payment at the Taluk Cutchary every month would greatly interfere with the performance of their daily work in the temples &c. (except perhaps in the case of Cash Stipendiaries) to say nothing of the hardship they are subjected to every month by so do-

In acknowledging receipt of your No.299FL dated 16th August 1901 asking for opinion in the matter of making payments of Muzroi allowances through Deputy Amildars of sub Taluks and also requesting to report whether such payments are at present made anywhere through the Deputy Amildars, I have the honor to state that at present Muzroi payments are not made through Deputy Amildars and that the Taluk Amildars draw the bills and make payments to the parties concerned.

2. I do not know if these Muzroi institutions are under the direct orders of the Deputy Amildars and if the bills for stipends Establishments and other fixed charges are prepared by them.

3. If this is the case and if the total amounts required by each Deputy Amildar be only very small amounts, these Officers may be entrusted with making disbursements on this account also. If otherwise, the payments should be made by the Amildars themselves through Hobli Shikdars in the few cases where the partics live far away from the Head Quarters of the Taluk and their journeys to & from would interfere with the performance of their duties.

Sir,

With reference to Government Official Memorandum No 1340-54 of the 6th March 1902 re-the prevailing practice in the Sub Taluk of this District in the matter of the disbursement of fixed Muzrai charges through the Deputy Amildar of the Sub-Taluk, I have the honor to report as follows on the points raised.

1). Yedehalli is the only Sub-Taluk in this District. No Muzrai payments are at present made through the Deputy Amildar in respect of the Muzrai Institutions situated therein.

2). It is ascertained from the Deputy Amildar that no bills are signed by him and presented to the Treasury but

.b. that the Amildar of Koppa draws the bills and makes payments to the parties concerned, the amount remaining undisbursed in the Case of Certain Institutions enjoying Annual Ready Money grants being usually forwarded to the Deputy Amildar with a yadi for disbursement in the Sub Taluk.

3). The Inugrai payments in the Sub-Taluk of Yedehalli amount to Rs 18-12-7 monthly.

4). The Inugrai Institutions of the Sub Taluk are directly under the management of the Deputy Amildar and it therefore seems desirable that bills on account of charges therefor should be prepared by him and disbursements also made by him. Further, the amount of such payments in this particular Sub Taluk is very small being only Rs 18/- and odd and the Comptroller in para 3 of his letter states that in such Cases the Deputy Amildar may be authorized to make disbursements. Under these

circumstances

circumstances I think that the procedure as recommended in the first part of this para may be adopted.

With reference to the above, has the honor to forward the report of the Deputy Amildar of the Trenchrocks Sub Taluk and to state that:—

(1) The Honorary payments in the Trenchrocks Sub Taluk are at present made through the Deputy Amildar.

(2) The bills are signed by the Deputy Amildar and the amount is drawn by him from the Treasury. For the sake of convenience the

disbursement to the dharmai servants at Belkote are made through the Peshkar of the Narayanaswami temple there, while the servants of the other institutions in the Taluk are paid by the Deputy Amildar himself.

(3) The dharmai payments in the French Rocks sub Taluk amount to Rs 1391-5-4 monthly.

(4) The undersigned is of opinion that the practice now in vogue is convenient and should be continued. If payments are to be made through the Amildars it will certainly cause hardship to the dharmai servants in having to travel long distances to receive payments at the Treasury, while their doing so would result in a temporary suspension of the duties to be performed by them in their respective dharmai institutions. Further the Deputy Amildar being the immediate superior authority under whose orders the dharmai servants have to work, it would seem to lower his prestige if the present practice were discontinued

Taluk in the District of Vizagapatam. The Dewan proposes on account of failed crops in this Sub Taluk remission to the extent of Rs 1. 3. 6 per cent on Fasli 1316 and Rs 14. 8. 0 per cent which is equally divided between the Kimedi Estate and the Government.

2. The amount payable for each month is drawn in the Shirastah Taluk Treasury on bills prepared and signed by the Amildar and the money is sent to the Deputy Amildar who makes the payment to the parties concerned. Order thereon :- No 7L 709-1893/11/02

In the Govt Order of November 1900 quoted above the Dy Amildars were authorised to draw and disburse only such fixed charges, as contingencies and pay of Sub-Taluk Establishments. The Dy Commr, Tumkur Dist, in his letter dated 13th July 1901 represented that the allowances due to Chattrains and other

religious institutions and to Cash Stipendiaries consisted of small sums and that as the recipients thereof lived far away from Taluk Head-Quarters, their presence at the Taluk Kacheri every month greatly interfered with the performance of their duties, to say nothing of the hardship they were subjected to: He recommended that the practice in vogue theretofore in respect of payment of Inamdari allowances thro' Dy Amildars be continued. The Comptroller, Mysore Govt, who was consulted in the matter stated that Inamdari payments were not made through Dy Amildars, as the Amildars drew the bills and made payments to the parties concerned. He further expressed a doubt

as to whether the Inuza-
-rai Institutions were
under the direct orders
of Dy Amildars and whether
the bills for Stipends, Esta-
-blishments and other
fixed charges were pre-
-pared by them. He was
of the opinion that if
that was the case and
the total amounts re-
-quired by each Dy.
Amildar be very small,
these officers might be
entrusted with making
disbursements of Inuzrai
allowances also and
that, if otherwise, the
payments should be
made by Amildars them-
-selves through Hobli
Shekdars in the few
cases where the parties
lived far away from
Taluk Head Quarters -

From the reports of Dy. Commissioners read above, it is clear that the Inamdar Institutions in Sub-Talukas are under the direct control of Dy. Amildars, that the allowances (drawn by the Dy Amildars in some Sub-Talukas and by the Taluk Amildars in others) are disbursed by Dy Amildars and that the amount is small in all the Sub-Talukas, except the French Rocks Sub-Talukas, where it amounts to Rs 1391-5-4 a month. The present system of making payments through Dy Amildars is recommended by all the Dy Commissioners.

The disbursement of

Muzrai allowances & stipends through DG Amildars is accordingly sanctioned. The procedure to be adopted will be as given below:-

1. In respect of the institutions in a Taluk, the allowances and stipends bill for should be prepared by the D.G. Amildar concerned, signed by him and sent to the Taluk for encashment.

2. The money in accordance with the bill should be sent to the D.G. Amildar for payment; who, after disbursing the amounts to the parties concerned, should send an account

together with the un-
-disbursed balance, if
any, to the Taluk for
remittance to the Tr J.

The Comptroller, Mysore
fort, will issue the neces-
-sary instructions.
